

“I wouldn’t  
have sex  
in a shower  
on TV”  
-Francis

## Made In Chelsea’s hot boys Jamie Laing, Oliver Proudlock and Francis Boule chat to JO USMAR

“Take your shoes off, Boule!” Jamie Laing shouts at his fellow Made In Chelsea cast member and ex-housemate Francis Boule as soon as he walks in the door. Our shoot is taking place in a very posh house in south London and it’s clear that Jamie, 22, Francis, 24, and fellow MIC-er Oliver Proudlock, 24, feel right at home. We’ve even cracked open the festive booze. Francis tastes it, then announces, “It’s no match for my grandmother’s sherry.”

Get you, Granny Boule. Made In Chelsea is now on its fourth series, and from day one we’ve been obsessed with the posh folks of SW1 – especially Jamie’s love life, Francis’ skateboarding business-guru weirdness and Proudlock’s George Michael-style earring. And the chaps aren’t just pals onscreen – they lived together during filming and duly anointed themselves and their fledgling band “The Three Lost Boys”. Or “bois”, as

Jamie and Proudlock’s matching tattoos state. Since arriving at our shoot, they haven’t stopped shouting, “Yeah, boil!” and answering their phones, which never stop ringing. Eventually, we manage to sit them down. We’ve got a lot to ask, starting with the fact that Jamie’s been a bit of a love rat...

Jamie, how could you squash Binky’s heart? [He cooled things off after just one date.]  
**Jamie:** Argh! I know. It was

a bad situation. I was panicking, feeling trapped. Oh come on, after a single date?  
**J:** But it wasn’t just one date. They can’t show everything that happens on camera. It was actually over a longer period of time. And I kissed her when we were all pretty drunk and then things changed that night.  
**Proudlock:** What, in your sleep?  
**J:** Yeah, I sleep-walked and found myself going, “Nooo!”

“Five gold rings...  
No, we’re not singing.  
Those are just our  
stocking fillers”

**P:** You hit the pillow and woke up screaming, "Nooo!" [Both laugh.] But you told her you could fall in love with her and then back-tracked!

**J:** Yeah, it was bad. I got caught up in the moment. I love Binky, I think she's amazing and it's just wrong timing for us. Binky was the person I thought that it would work with and it didn't. We had great chemistry. I thought our friendship meant that I really wanted to be with her. We tried hooking up, but it was awkward. We were all on your side last series with the whole Spencer/Louise thing and now you've let us down...

**Francis:** Hey, I'm still on his side.

**J:** You can't always stay squeaky clean, and the great thing about the show is you see every side of everyone. And I think I'm far from a nasty boy. You were a bit of an arse...  
**J:** Of course! I even

tweeted after the show, "Jesus, I look like a dick in this episode," because I was a dick. But it's hard, because you'll do something and think it's fine and then watch it back and go, "OK, that's bad." A few people in the cast think too much about cameras and what they're doing, whereas we just do what we do...

**F:** It's good because it's more real.

**J:** If someone makes us laugh, we laugh, and if someone's p\*\*\*ed us off we'll say they have, rather than worrying if people will hate us. So, in that moment, I did what I thought was right. And I feel terrible about it. Are you friends again?  
**J:** I hope we'll make up.

"I think I'm far from nasty!"  
Jamie

**SING STARS**

□ Harrods had really upped their game with their carol singers this year

Do you all watch the show together?

**J:** It's epic – the whole cast and crew watch it together every week.

**P:** It can be very awkward.

**F:** Sometimes you'll know something's coming and you'll tip them off, "Oh, that thing I'm about to

say, I didn't mean it."

**J:** Or you'll go, "Just off to the loo!"

**P:** You forget what happened because you filmed it six weeks ago. I find it cringe, watching myself. Has it ever kicked off?

**J:** When I see someone

talking about me onscreen, I turn around, wave and say, "Thank you!"

Do negative reactions from the public ever bother you?

**J:** Of course they do.

**P:** No matter what anyone says, if you're getting abuse it'll bother you.

**J:** Shall I see if I've got any abusive tweets in the last two minutes? [Checks phone.] Here's one.

"Jamie, my friends went to Mahiki and thought you were a top-class w\*\*\*er. I would disagree and say you were just a w\*\*\*er."

[All roar with laughter.] Did you guys like living together?

**P:** It was epic. Would you do it again?

**J:** We were actually checking out some houses today. There was an amazing one in Knightsbridge, behind Harrods.

**P:** Good for a spot of shopping.

**J:** I've been shopping today, boi! [Proudlock and Jamie high-five.]

When you lived together, who took out the bins?

**F:** I always had to take them out for the cleaner. [To Jamie] But you never took the rubbish out.

**J:** [Shrugs.]

**Celebridoodles!**  
Francis has drawn the rapping diva...

**NICKI MINAJ**

**HEAT SAYS:** A bit frowny, but the hair and booty are good

**heat**  
**VERDICT**  
**6/10**

□ Jamie with Binky, who he was less than honourable to, and MIC castmate Cheska Hull

**P:** Every time the cleaner came, the house was always a mess. Monday: clean; Tuesday: OK; Wednesday: not great; Thursday: eurgh...  
**J:** Sunday: argh! We'd book ourselves into a hotel. Did you have a rule about girls staying over?  
**J:** Yes. The rule was if you had a girl over, she'd have to come join us in the kitchen in the morning.  
**F:** Just to say hello.  
**J:** One morning, Proudlock had a friend who wouldn't come down.  
**P:** Yeah, everyone was shouting, "Come down!" And I was, like, "Guys, be nice!"  
**F:** She climbed out of the bathroom window on to the scaffolding at the back. Are you joking?  
**F:** No. I nearly died so many times trying to climb up the scaffolding.  
**P:** We lived together for three months and had one key between us.  
**F:** We were always too busy to get another one made. We'd be, like, "Sorry, I left it at the pub," and then have get up the scaffolding to an open window.

Francis and Proudlock, you had some beef with each other about Sophia Sassoon, right? [Proudlock slept with Sophia, despite Francis fancying her, too]  
**P:** We did have beef. Just a lack of communication.  
**F:** No, a lack of realisation on my part.  
**P:** True... I love you, man. Speaking of fights, what happened to your nose, Jamie? It looked like you'd been punched in a recent episode...  
**J:** I got punched outside a club.  
**F:** That's horrible, sorry...  
**J:** No, don't be sorry.

"I never cry. Even when I stub my toe"  
Francis

It was fine at the time.  
**P:** The night that happened, he came lurching into my room and passed out on my bed. I woke up in the morning and there was crusty blood all over my duvet.

**F:** He had another fight outside my bedroom door, which I had to break up.  
**J:** It's because I'm small. I'm an easy target.  
**F:** It's because you're mouthy.  
**J:** I am a bit. But Francis broke up the fight, naked.  
**F:** I didn't want to see any violence outside my room. Who was the fight with?  
**J:** Caggie's brother.  
**F:** Freddie Dunlop. Who won?  
**F:** I did.  
**J:** You did get punched, didn't you?  
**F:** Yes, you punched me.  
**J:** I thought you were Dunlop. I got confused. Is there anything you wouldn't do on screen?  
**F:** Have sex in a shower. That brings us to our next question. What on earth was Spencer's shower scene all about? [Spencer got all steamy with Louise Thompson in the opening episode of this series.]  
**All three:** Oh God!  
**J:** We all love Spenny, but I don't mind saying that I watched that back and thought it was ridiculous.  
**F:** Spencer claims they actually had sex in the shower. For seven seconds.  
**J:** I heard they wore see-through underwear?  
**F:** Well, he said they actually had sex. But he says a lot of things... Did you watch Hugo on I'm A Celebrity...?  
**P:** Yes, bless him. It was awful. He cried twice. Everyone's going to think Chelsea boys are wusses.  
**F:** I never cry. Even when I stub my toe.  
**P:** That's the sign of a true man.

# Bois will be bois...

**GREEN-EYED BOIS**

□ Proudlock and Francis had a bit of a fall-out over Sophia Sassoon (centre)

**NAKED BOI**

□ Francis tweeted this pic, saying he punched Jamie for "stealing all the Alpen". But why's he naked?

**LADIES BOI**

□ Gorgeous girls make Francis Boule sneeze

**CHELSEA BOIS AND GIRLS**

□ L-R: Proudlock, Spencer Matthews, Rosie Fortescue, new boy Andy Jordan, Cheska Hull and Jamie

## Would you rather...

**Stand naked in Selfridges' window for three hours or streak across the X Factor stage on a Saturday night?**

**J:** Streak on The X Factor.  
**P:** Yeah. Three hours in Selfridges' window would be horrible.  
**J:** If you're going to get naked, get naked and make a big impact. I streaked in front of 44,000

people at a rugby match in Leeds. They chucked me out. I had to knock on a stranger's door and ask to borrow some clothes.

**Shave your head or wax your legs?**

**P:** Shave my head. I've done it before, so it's no big deal.  
**F:** Probably wax my legs.  
**J:** I'd rather go for legs.

That was a close shave

Let's talk about the series villain, Andy Jordan...

**P:** There's still more to come with Andy.  
**J:** Jeez. I've known him since I was 13. He's a good guy, but he's a schweff. What's a schweff?  
**F:** I describe it in my book. [Flicks through his book Boule's Jewels, which he's bought along to sign for

us.] "Schweff (noun): Someone who spends 90 per cent of their time trying to get action, even at the expense of their friends." He is such a schweff! Why is Chelsea so incestuous?  
**J:** It's the public-school circuit. You all just know each other.
